Practice Reports are due at the beginning of class on Friday, EVERY WEEK.

Please record your practice time on the above calendar for each day of practice, and add your weekly total in minutes. If you practice at school (during lunch or after school) make sure you check in with Mrs. Villanova when you start and finish so she can record your time for you!

Minutes spent in private lessons on the instrument you play in class will count towards your weekly total.

- Count your minutes Friday-Friday
- Minutes spent in after school rehearsals will not count towards your weekly total minutes

The following chart indicates the minimum number of practice minutes that correlate with each weekly grade:
