

Thanks to all the students who auditioned. I heard some amazing auditions and I'm looking forward to a musical 2008-2009 school year! These results are not exactly set in stone. I will be hearing a 2nd round of auditions in August for students who are new to our district, which means we will be adding more names to our lists. ***These lists are NOT in chair order. Chair placement auditions will take place the 2nd week of school.***

If you have been placed in either the Intermediate Orchestra or Symphonic Band, please remember that these are **NOT** beginning courses and the positions in the upper level courses are highly competitive for certain instruments. If you would like the opportunity to move up, please consider switching to an instrument in which we need more of: baritone, tuba, bassoon, French horn, viola, cello or bass. I have some school instruments to lend. Universities love giving scholarship \$\$\$ to musicians who play these instruments (you don't even have to major in music)! I am also looking for someone to play the bass in jazz band, if you know someone tell them to email me asap!
