

## 18.2 Exploration and Travel

# READING NOTES 18

## 18.3 Industry

A hand-drawn scroll template for reading notes. The scroll is divided into five numbered sections:

- ①: Top left corner.
- ②: Middle left section.
- ③: Bottom left section.
- ④: Top right section.
- ⑤: Bottom right section.

A hand-drawn scroll template for reading notes, identical to the one above. The scroll is divided into five numbered sections:

- ①: Top left corner.
- ②: Middle left section.
- ③: Bottom left section.
- ④: Top right section.
- ⑤: Bottom right section.

## 18.4 Military Technology

A scroll-shaped reading notes template. The scroll is divided into five numbered sections by a vertical line and a horizontal line. The sections are labeled as follows:

- ①: Top-left corner.
- ②: Middle-left section.
- ③: Bottom-left section.
- ④: Top-right section.
- ⑤: Bottom-right section.

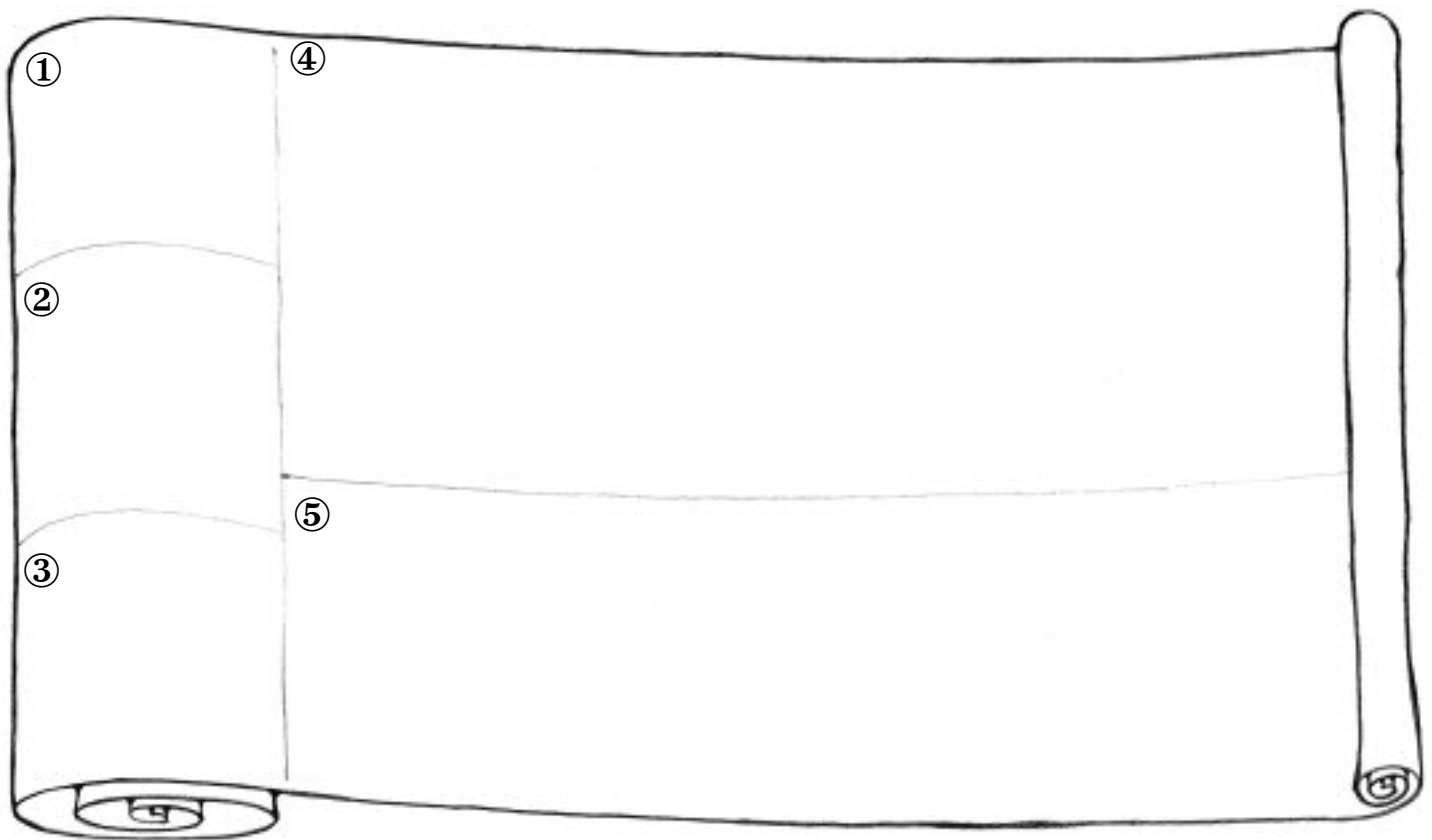

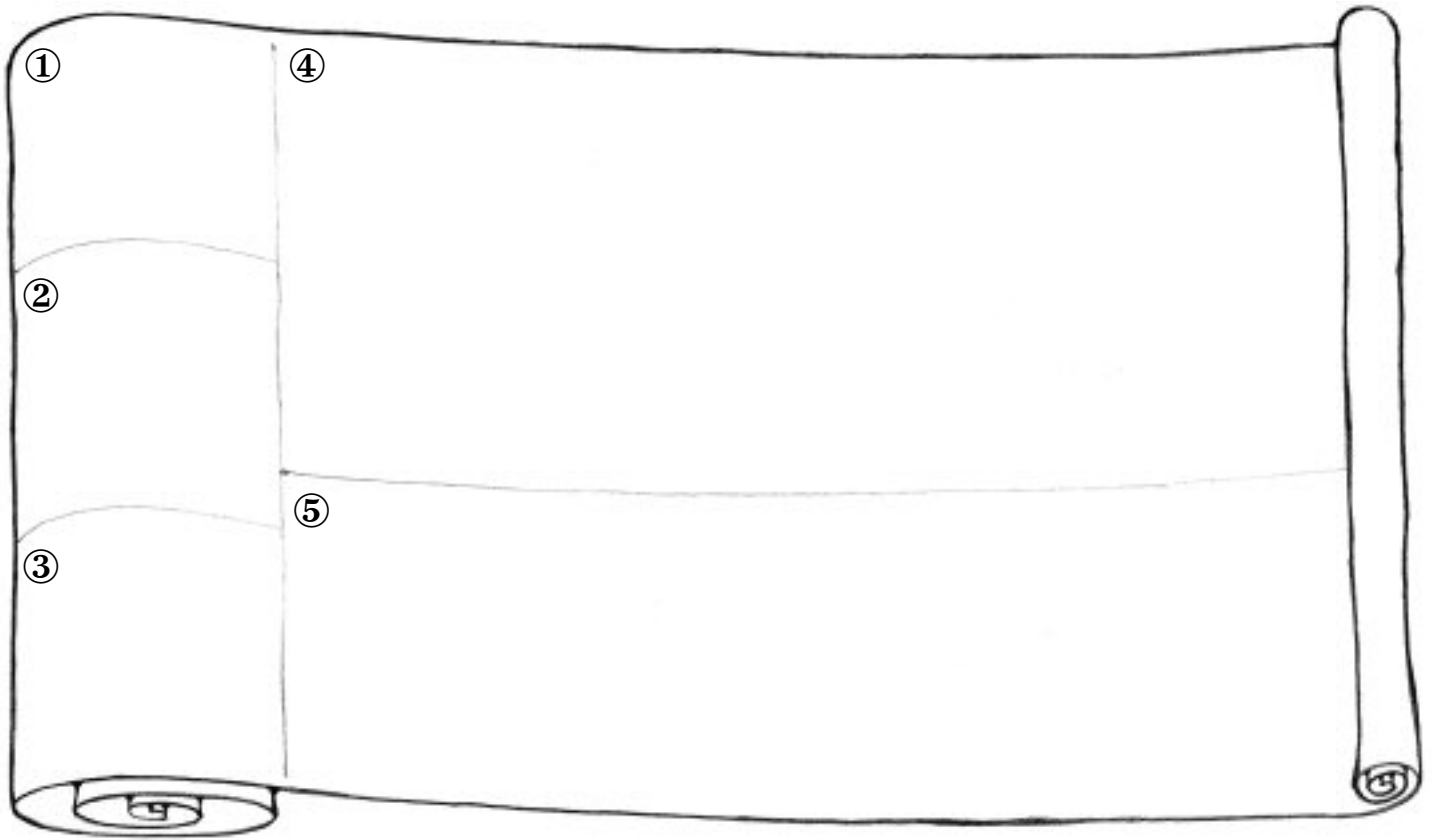

A scroll-shaped reading notes template, identical to the one above. The sections are labeled as follows:

- ①: Top-left corner.
- ②: Middle-left section.
- ③: Bottom-left section.
- ④: Top-right section.
- ⑤: Bottom-right section.
