

## 23.4 Family Life

Imagine that this young Mayan man and woman are seeing each other for the first time. Complete the thought bubbles by writing at least four more qualities that each hopes the other has to make him or her a good husband or wife. Think carefully about the typical tasks that Mayan women and men complete each day.

Possible answers:

That young woman is very pretty.  
I wonder if she is also...

- knows how to keep a clean house
- is a good cook
- likes children
- is a good weaver

That young man is very handsome.  
I also hope that he is...

- a hardworking farmer
- a good hunter
- a skilled builder
- a brave soldier
