

ACKNOWLEDGEMENT OF DISTRICT HAZING POLICY

Definition of Hazing: *Hazing in any form including initiation which is degrading is strictly forbidden by California State Law. No student shall conspire to engage in hazing, participate in hazing or commit any act that causes or is likely to cause bodily danger, physical harm, personal degradation or disgrace resulting in physical or mental harm to any fellow student or other persons.*

The District strives to maintain a healthy athletic program in which all students feel safe and welcome and can be proud of their school and athletic programs they represent. Hazing in any form is strictly prohibited. Violation of the law prohibiting hazing is a misdemeanor. Persons violating this policy shall be referred to their school principal and subjected to District Discipline Guidelines disciplinary action; including forfeiture of athletic eligibility, entitlements, and any awards/letters.

I understand that hazing of any kind is not allowed on this campus or in the athletic program. This includes mental, verbal and physical acts. I further understand that it is my duty to report any acts of hazing that I have knowledge of and/or see to a coach or administrator on campus.

By signing below I agree to uphold the District Code of Conduct and understand that any violation will result in my immediate suspension from athletics and further disciplinary action.
