

# *Elements of Art & Principles of Design*

Your group has been assigned to one of the following:

## *Elements of Art*

- 1) Line
- 2) Shape
- 3) Space
- 4) Texture
- 5) Color
- 6) Value

## *Principles of Design*

- 7) Balance
- 8) Movement
- 9) Emphasis
- 10) Proportion
- 11) Unity
- 12) Rhythm

### YOUR TASK:

1. Research how your group's assigned word is related to art.
2. Make a PowerPoint presentation with at least 15 slides:
  - Slide 1: Explain the concept that was given to you IN YOUR OWN WORDS (no dictionary definitions). [5 points]
  - Slides 2-11: Provide 10 visual examples (screenshots) of the aesthetic concept used in a variety of works of art from throughout history. [1 point each]
  - Slides 12-15: Give us 4 ideas on how WE can use the concept that you researched to make visually interesting digital art. [1 point each]
3. Everyone in the group should save a copy in their SHARE/HOME folder and/or email it to themselves.
4. Present your PowerPoint slide-show to the class in order to receive a complete grade. [20 total points possible]
