

Homework/Class Work Rubric

Homework is graded on completion, student work, and format with a maximum of 6 points per assignment. The grading rubric for homework is stated below; **however, if a student shows no work when necessary, he/she will receive no credit.**

Criteria	6 Points	4 Points	2 Point	0 Points
Completion	Homework is 100% complete. It is clear that the student attempted every problem and mastered the concept.	Homework is 70% complete. The student attempted most problems and has a good understanding of the concept.	Homework is 30% complete. The student attempted a few problems.	No homework was turned in.
Student Work	Student work is thorough, clear, and legible for all problems. Student included all relevant diagrams/graphs.	Student shows an adequate amount of work for each problem and it is legible. Student included some relevant diagrams/graphs.	Student shows some work, but it is inadequate. Student did not include relevant diagrams/graphs.	Student shows no work.
Format	Student wrote name, date, and period in the upper right hand corner, wrote the page number and assigned problems down, did the necessary work, stapled multiple sheets together, and used pencil.	Student followed 70% of the format procedures.	Student followed 30% of the format procedures.	Student did not follow the homework format.
